

# Material Safety Data Sheet - MSDS

[Print sheet](#)

<b>Oil-Dri (UK) Ltd</b>				03/09/97
Reference number				
Revision date	03/09/97			
Revision number	0			
Material / Trade name	GENERAL PILLOW			
<b>1) - Substance Identification</b>		(synonym:)		
Material / Trade name	GENERAL PILLOW			
Cover	(SPUNBOND) POLYPROPYLENE			
Filler	CELLULOSE			
Company	Oil-Dri (UK) Ltd			
Address	Bannisters Row, Wisbech, Cambridgeshire PE13 3HZ			
Telephone	01945 581244			
Fax	01945 581250			
<b>2) - Hazardous Ingredients</b>				
None Known				
<b>3) - Physical and Chemical Data</b>				
Boiling Point	Not Applicable			
Vapour Pressure	Not Applicable			
Vapour Density	Not Applicable			
Solubility in Water	Not Applicable			
Appearance and Odour	Green fabric encasing a grayish, granular pulp; Odourless			
Specific Gravity (H2O)	Not Evaluated			
Melting Point	Not Applicable			
Evaporation Rate (Butyl Acetate = 1)	Not Applicable			
Bulk Density (lb/cu ft)	13-15			
<b>4) - Fire and Explosion Data</b>				
Flash Point	1600 - 1800 °F (open cup)			
Autoignition Temperature	252 - 302 °C / 525 - 575 °F			
Extinguishing Media	Water			
Special Procedures	None Required			
Unusual Fire / Explosion Hazards	Will wick petroleum-based products on open flame.			
Flammable Limits	Not Applicable			
NFPA Rating	0 - 1 - 0			
<b>5) - Reaction Data</b>				
Stability	Stable			
Incompatibility	Contact with strong acids may generate heat; some discolouration will occur			
Hazardous Decomposition or byproducts	None			
Hazardous Polymerization	Will not occur			

<b>6) - Health Hazard Data</b>			
Inhalation	Repeated inhalation of excessive concentrations of any dust, including this material (if Released) may lead to lung injury		
Ingestion	No hazard with unused material		
Carcinogenicity	<b>OSHA</b> not listed	<b>NTP</b> not listed	<b>IARC</b> not listed
Signs and Symptoms of Exposure	Not Applicable		
Medical Conditions Generally Aggravated by Exposure	Not Applicable		
Emergency and first aid Procedures	No special procedures		
<b>7) - Precautions for safe handling and use</b>			
Steps to be taken in case material is released or spilled.	Sweep and Dispose Unused material is suitable for disposal in sanitary landfill		
Waste Disposal Method	(Used materials may be subject to regulation, depending on the nature of the material absorbed. Check with appropriate authority for used material containing hazardous waste.)		
Precautions to be taken in handling and storage	Not Applicable		
Other Procedures	Not Applicable		
<b>8) - Control Measures</b>			
Respiratory Protection	Use NIOSH approved respirator if excessive dust is generated		
Ventilation	Not Applicable		
Other protective clothing or equipment	Not Applicable		
Work / Hygienic practices	Normal good work practice
